

PRETTY SALLY AUSTRALIAN WINES

Elegant, Food Friendly

Why Recommend Pretty Sally Wines:

- An incredible find. Very small Australian producer. All 5 current vintages rated 90+pts
- Very smooth, clean, balanced wines with layers of interesting aromas and flavors
- Unlike many Australian reds, ours are not “over the top” in ripe fruit & alcohol...ours are “elegant”
- We offer superior quality at a great price. (people pay for the wine not for any marketing.)
- You can't go wrong recommending our wines. (Everyone likes their approachable style)

Tasting Notes: CabSauvignon

Dark, rich and juicy, yet very elegant with soft tannins. Spicy cherry with chocolate, vanilla and oak. It's a “pretty” Cab. Hard to find a Cab at this quality/price ration.

Tasting Notes: Cabernet Shiraz

Combines the best of Cab & Shiraz, fruity with nice tannins. Amazing quality at this

Tasting Notes: Shiraz

Dark, Juicy, with bright ripe berries and plum, along with white pepper, roasted coffee and wildflowers. A cool climate shiraz, offering lots of bright flavors in an elegant style.

Tasting Notes: Rosé

A dry, crisp and intense Rose with bright flavors of strawberry, cherry and herb note
A year round Rose.

Tasting Notes: Sauvignon Blanc

A very unique, intense SauvBlanc. Orchard fruit flavors, yet dry and crisp. It's NOT the grassy NewZealand flavors.
Has lots of structure, nice acidity and long finish.

Food pairing Recommendations:

Rose: Light meats like carpaccio, tomato soup/sauces, egg dishes (quiches), vegetables.

CabSauv: All red meats, chicken with light/creamy sauce, all cheese, vegetables, quiches, etc.

Shiraz: All red meats, including lamb. Superb with pepper and other spices (chili, curry, BBQ)

CabernetShiraz: Great with all meats and spices. Very easy to pair with food.

Sauvignon Blanc: Great with seafood, critic dishes (lemon, orange, apples, tomatoes)

Origin of Name:

Vineyard is next to the now called Pretty Sally Hills, in Victoria Region, just north of Melbourne. Pretty Sally (AKA Mrs. Sally Smith) operated one of the more successful bars north of Melbourne during Australia's Gold Rush of the mid-1800s, in the land of Ned Kelly.

Other information:

- We follow organic vineyard management practices, as we only use organic compost and work hard to avoid the use of chemical treatments. We follow sustainable agriculture practices.
- Winemaker is one of top 10 winemakers in Australia, John Ellis, was founding winemaker at Rosemount Estate (1974) and previously winemaker at Yalumba.
- Our climate is maritime, benefiting from morning fog, great sun all day and daily afternoon breezes. Superb conditions for making old world style, elegant wines.¹
