

PRETTY SALLY ESTATE WINE

Victoria, Australia

“Old World Wines with New World Consistency”

Pretty Sally Vineyard

Our family vineyard is located 40 miles north of Melbourne in the cool climate region of Central Victoria. This location offers the perfect maritime climatic conditions for growing elegant, complex wines. The vines benefit from our high elevation, morning fog, cool afternoon breezes, extended brilliant sun and uniquely Australian vegetation.

The vineyard is located next to the Pretty Sally Hills, which are a well-known landmark in Melbourne and the site of the Australian gold rush during the 1860's. The Great Dividing Range tapers close to Melbourne into the Pretty Sally Hills.

Pretty Sally Wines

Our mission is to produce world-class wines that over-deliver. Our commitment to excellence begins in our vineyard, as only exceptional grapes can produce great wine. We offer four estate bottlings and a blend. The estate wines are Sauvignon Blanc, Rosé (Cabernet Sauvignon), Shiraz, Cabernet Sauvignon. The blend is a Cabernet Sauvignon (51%) / Shiraz (40%), made from our estate Cabernet and Heathcote Shiraz.

Our winemaking philosophy is one of minimal intervention. The unique characteristics of the fruit are allowed to express themselves in the final product. Our wines are vinted to the highest standards with state-of-the-art technology, allowing us to rigorously analyze, control and attend to every detail. John Ellis, our renowned winemaker, boasts an impressive body of experience spanning decades, including tenure at Yalumba and serving as founding winemaker at Rosemount (1974).

The Cabernet Sauvignon is aged in all-new French Seguin-Moreau oak barrels for an average period of 20 months. The Shiraz is oaked in all-new barrels (60% French and 40% American) for 19 months. The Sauvignon Blanc and Rosé are vinted without malolactic nor oak to allow the fruit to attain its purest and fullest expression.

Pretty Sally in the United States

Our single vineyard wines were first introduced in April 2004. We import our own wine into the US, bypassing the need for an importer. This unusual structure for a small Australian vineyard enables us to offer our quality wines at very aggressive prices direct to our customers.

In just over two years, we have established a presence in 21 US States, Canada and Mexico. Our award winning wine is available in select restaurants and specialized wine shops, such as Amangani, Rusty Parrot Lodge and WestSide in Jackson Hole, Aquanox, 55 degrees, Spago, Ruth's Chris Steakhouse in Las Vegas, 2941 Restaurant in Virginia, the Jonathan Club in Los Angeles, Carriage Club in Kansas City. Our success to date is the best tribute to the quality and value of our wines.
